SCHOLARSHIP PROGRAM OVERVIEW

The Reading Musical Foundation is proud to offer more than 60 different scholarship programs to student musicians in Berks County. The program makes more than \$225,000 in awards annually, which are used to help students afford private music lessons, new instruments, and experiences like summer music camp, as well as provide recognition and monetary awards at RMF's merit-based auditions.

GENERAL SCHOLARSHIP PROGRAM GUIDELINES

- Unless otherwise specified, the student must attend a Berks County school (or be homeschooled in Berks County) and reside in Berks County.
- Applications are available for online submission on RMF's website, www.readingmusicalfoundation.org, under "Scholarships."
- Deadlines are strictly enforced. Submissions are allowed until 11:59 PM on the date of the deadline. No late applications will be considered for any reason.
- Applications should be complete at the time of submission. Students submitting incomplete applications risk losing audition placement or review consideration.
- Awards are paid directly to the music teacher for private lessons. RMF will pay the vendor or institution directly for college tuition awards. Instrument upgrades, or summer camp tuition may be reimbursed with receipts for these expenses.

- Awards are not retroactive without prior permission from RMF.

AUDITION-BASED PROGRAM

- Students must audition live, on the day noted; virtual auditions/recordings are not permitted.
- Audition locations vary, please check directory cover for locations.
- Self-composed pieces are not permitted for these competitive auditions.
- Students should be prepared to perform their selections in their entirety (no edits/cuts, except for major section repeats) within the noted time limit.
- Voice Applicants: Choral excerpts/voice-parts are not permitted.
- For students who play multiple instruments, multiple voices of the same instrument type must perform under a single audition. Examples of this include: Flute/Piccolo; Oboe/English horn; Bassoon/Contra-bassoon; Clarinets (soprano, alto, bass, etc.); Saxophones (soprano, alto, tenor, baritone, bass); Euphonium/Baritone; and Trombone/Bass Trombone. Please contact RMF with any questions.
- If memorization is required, it will be noted in the instrument/award guidelines.
- The non-refundable audition fee for students is \$20. Each additional sibling's fee is \$10. (Example: the total cost of two siblings auditioning would be \$30). Requests to waive the application fee due to financial circumstances should be noted on the application by the parent or teacher. The fee is applied once per year, regardless of the number of awards for which the student auditions.
- Students will audition in front of adjudicators who are proficient in the student's instrument or instrument family.
- Adjudicator names and award amounts will not be announced prior to auditions.
- All students will receive written evaluations from adjudicators during the week following the audition. Comments should be considered constructive and be shared with the student's music teacher.
- Performance opportunities for recipients: All merit recipients will be invited to perform at Trinity Lutheran Church in Reading on May 17 or May 18, 2025. First place recipients are invited to perform at RMF's Artists of Tomorrow Concert Series - details to be announced in late 2025.

AUDITIONS: ACCOMPANIST GUIDELINES

- Recorded accompaniment is not permitted (exception: Jazz Guitar).
- Instrumentalists in Grades 1-6 will audition without accompaniment.
- Instrumentalists in Grades 7-9 are encouraged to audition with piano accompaniment for solos that are written to include piano accompaniment/orchestral reduction for piano.*
- It is highly recommended that instrumentalists in Grades 10-12 audition with piano accompaniment for solos that are written to include piano accompaniment/orchestral reduction for piano.*
- Students auditioning for our College Tuition scholarships are required to audition with piano accompaniment for solos that are written to include piano accompaniment/orchestral reduction for piano.*
- All vocalists (Gr. 7-9, Gr. 10-12, College Tuition) are required to audition with an accompanist.* (Exception: The selection is specifically composed to be performed unaccompanied or a *cappella*.)
- Gr. 7-12 (non-College Tuition) instrumentalists who are considering auditioning without an accompanist should confirm with their music teacher that the unaccompanied piece is appropriate for our merit auditions.
- Guitar, harp, and percussion applicants will audition without accompaniment.
- Students must include the name of their accompanist on their application.
- Teachers may not accompany their students (parents are permitted).

*In memory of Rebecca Gass Butler, funding is available for students who cannot afford to hire an accompanist for their audition. Contact RMF for information.

MUSIC GUIDELINES FOR COLLEGE TUITION AUDITIONS

Based on past discussion, input by teachers, and a review of college/university music major audition requirements, repertoire requirements are as follows:

Music Requirements - At Least Two (2) Works/Movements of Contrasting Styles (One Baroque/Classical and One from Romantic/20th-21st Century), 20-minute total limit:

Bassoon	Cello	Clarinets	English Horn/Oboe
Flute/Piccolo	French Horn	Organ	Piano
Trumpet/Cornet	Viola	Violin	

Music Requirements - At least Two (2) Works/Movements of Contrasting Styles (From the standard concert solo repertoire for the specified instrument), 20-minute total time limit:

Double Bass	Euphonium	Harp	Saxophones
Trombone			

Other Instrumental/Voice Music Requirements:

Percussion: Three solos/etudes to include one mallet solo, one timpani solo, and one snare drum study/etude. A demonstration of drum set styles (rock, funk, jazz, samba, bossa nova, etc.) or world percussion/hand percussion usage may be added (optional) within the 20-minute total time limit.

Guitar: At least two (2) works/movements of contrasting style from standard classical guitar solo repertoire (from a sonata, concerto, suite, or short piece). A selection from folk or popular music repertoire may be added as a third selection within the 20-minute total time limit.

Voice: At least two (2) selections of contrasting style, including one from Baroque/Classical & one from Romantic/20-21c standard solo/recital repertoire. One must be in a foreign language. A selection from the Broadway musical repertoire may be added as a third selection within the 20-minute total time limit.

Musical Theatre: Two (2) songs of contrasting styles from the Broadway musical repertoire within the 20-minute total time limit. Students may audition for both the non-Musical Theater scholarships and the Cooper-Geracimos Musical Theater Scholarship (separate auditions, each with their own set of music requirements - contact RMF with questions).

Students intending to major specifically in jazz studies may substitute a selection from the jazz repertoire written for their instrument to use as a 20th/21st century selection or in place of one of their "standard concert solo repertoire" pieces.

NEED-SENSITIVE AWARDS (CAMP, LESSONS, INSTRUMENTS)

- No audition or fee is required.
- Previous recipients are encouraged to reapply.
- Scholarship Committee will determine recipients based upon written teacher recommendations. Students with financial need will be preferred over students with no apparent need (please note financial need in essay/recommendation).
- In the event a student receives an unfavorable teacher recommendation, RMF will consider the application on a case-by-case basis.
- Awards vary depending on level of financial need, with a maximum of \$500.
- Awards will not be paid retroactively without written permission from RMF.
- CAMP: Students may attend any summer music camp of their choice, but preference may be made to camps not devoted solely to marching band instruction.
- PRIVATE LESSONS: RMF requires a nominal financial commitment from the family. A per-lesson "co-pay" of \$5.00 is required. Payment should be arranged directly with the teacher.
- PRIVATE LESSONS: RMF need-sensitive scholarship awards cannot be used for fee-based lessons at K-12 school facilities during school hours, though before and after-school programs are permitted.

- **INSTRUMENT UPGRADES:** Instrument upgrade scholarships may be used toward the expense of a new instrument, cost to move an instrument, or cost to tune/repair your instrument. Awards will not be paid retroactively without written approval from RMF.

PIANO MERIT AUDITION GUIDELINES

Music Selections & Requirements for RMF Piano Auditions

- Students must play two pieces of contrasting style - one must be memorized.
- Time length for auditions:
 - Grades 1-6: No more than five minutes.
 - Grades 7-12 (excluding College Tuition): Total of no more than eight minutes.
- Intermediate and advanced students should avoid arrangements

Contrasting Selections

Most piano adjudications, competitions, and auditions (including the RMF Auditions) require students to prepare contrasting pieces specifically written for the piano. “Contrasting” means that the selections have evident differences in tempo, style, key/tonality, touch/articulation, and historical era.

Selecting Appropriate Repertoire

Teachers and students should choose pieces that highlight the student’s piano skills and match their current level, ensuring the music is challenging but achievable.

For early beginners, appropriate selections can include original pieces from widely recognized method books, such as those by Faber and Alfred, which are specifically composed for piano students.

Intermediate and advanced students should focus on established solo repertoire. Please avoid selections arranged for piano, such as pieces adapted from a different instrument or voice to piano, or movie themes or pop songs arranged for piano. Original compositions for piano better showcase the student’s skills, as they are tailored to the piano’s unique qualities. Exceptions: Advanced transcriptions by composers like Liszt are acceptable.

What Are Some Suitable Options?

For early students who are not yet ready for standard solo repertoire, original pieces from widely used method books (such as those by Faber, and the Alfred series) are acceptable and often include well-crafted beginner-level works that require piano-specific techniques. Additionally, pieces by composers such as (but not limited to) Türk, Gurlitt, Burgmüller, and “Streabbog” are excellent options. As students become more advanced, full movements of sonatas or suites become better choices. **For all levels, be sure the entire piece (or movement) is prepared for the audition – not just an excerpt.**

Questions?

For questions about repertoire, contact RMF at 610-376-3395. More resources are available under “For Teachers” at www.readingmusicteachers.org. A listing of past winners’ selections is available upon request.

ABOUT THE READING MUSICAL FOUNDATION

RMF believes that every child in Berks should have access to high quality music programs, and our scholarship program allows us to make that possible. Not every student musician will become a professional musician, but the skills they've learned through choir and band room will play an important role in whatever direction they choose. Students who participate in music have a tangible advantage when it comes to developing a strong work ethic and positive attitude.

Nearly 100 years old, RMF is a public charity that provides financial support for music presenters in Berks County, music scholarships by audition and in response to financial need, and extensive music outreach, including programs in most of Berks County's public and parochial schools. RMF is governed by a self-perpetuating board of volunteer trustees and is administered by two full-time employees. The Foundation depends upon the public's support each year.

RMF's annual efforts to support music education and appreciation include:

- Investing more than \$225,000 in scholarships for Berks County student musicians, divided equally between audition-based awards and awards that respond to financial need.
- Supporting local music organizations with \$200,000 in program grants that advance and advocate for music education and appreciation.
- Advocating for Berks County's strong music network, from strengthening the capacity of school music programs to economic development found in the arts, as well as community access to concerts and ensembles.
- Ensuring quality instruments are available to students, regardless of their ability to afford them through Operation Replay, RMF's instrument recycling program sponsored by Zeswitz Music.

MISSION STATEMENT

RMF's mission is to advance and advocate for music education and appreciation in Berks County.

NON-DISCRIMINATION STATEMENT

The Reading Musical Foundation does not discriminate against any person on the basis of race, color, national origin, disability, sex or age in admission or participation in its programs, services and activities, or in employment.

ESTABLISHING A SCHOLARSHIP FUND

If you are interested in joining the more than four dozen individuals and families who have shared their music legacy with the music students of Berks County, please contact Keri Shultz, RMF President, at kshultz@readingmusicalfoundation.org. There are multiple scholarship fund options, and we will work to create a plan that suits your giving preferences.
